

## Believe

We support each student to feel safe, have confidence and to be ready for everyday life. We help each student to be the person that they want to be.

## Achieve

We support each student to realise their full potential in all aspects of life – academic, creative, physical and social. We help our students to always do their best.

## Lead

We work together to lead improvement. We recognise the skills and strengths of leadership. Everyone has a part to play in the future of our Hendon School community.

## Belong

We connect with others to build effective and harmonious relationships within school and our wider community. At every stage we aim to develop shared values.
