KS4 Exam Results 2026

We are immensely proud of the achievements of our Class of 2026, whose GCSE results reflect their hard work, resilience and determination. Supported by dedicated staff and families, students rose to the challenges of their courses and secured a strong set of outcomes across a broad and ambitious curriculum.

The year group achieved an Attainment 8 score of 46.48, reflecting strong performance across a range of subjects. We were particularly delighted by the success in English, where 74.1% of students achieved a standard pass and 64% secured a strong pass, both representing improvements on the previous year. Students also performed exceptionally well in languages, with 71.2% achieving a standard pass and 56.5% a strong pass, while nearly half of students attained a strong pass in science.

These results demonstrate the talent, commitment and ambition of our students and reflect the high aspirations we hold for all young people. We congratulate every student on their achievements and wish them every success as they progress to sixth form, college, apprenticeships and employment. Their accomplishments this summer provide a strong foundation for the exciting opportunities that lie ahead.
