Y13 Summary 2026

We are delighted to celebrate another year of excellent post-16 results, with students achieving outcomes that showcase their hard work, perseverance and ambition. Across both academic and vocational pathways, students secured a wide range of impressive grades, enabling them to progress confidently to university, higher apprenticeships, employment and further training.

Our Applied General qualifications continued to perform particularly strongly, maintaining an average grade of Merit whilst achieving positive value-added performance. Average points per student increased significantly to 51.67, demonstrating the excellent progress students made during their studies and reflecting the quality of teaching, support and guidance available throughout the sixth form.

These results highlight the success of our inclusive and aspirational post-16 curriculum, which enables students to follow pathways that match their strengths, interests and future ambitions. We are immensely proud of all our students and congratulate them on their achievements. Their success is a testament to their determination, the support of their families and the dedication of staff who have worked tirelessly to help them fulfil their potential.
