

# Year 12 summer work

When we come back in September you will be year 12 Art Students!

When you come back your first lesson will be looking at your summer work which should consist of the following:

Your theme will be **“Sense of place”**

Sense of place can mean a lot of things, and can mean different things to different people:

- Your identity as a Londoner- pictures of you in places in London
- Your home country- the UK or somewhere your family are from
- Your house
- Your bedroom
- This planet

**You must take about 140 photos within this theme.**

**140!?!?!?! OMG Miss why so many???**

**This is why:**

You want to have an A3 double page of good quality photos to do artworks from so between 10-16 so photos 5/8 per page.

- Half your photos will be eliminated due to repetition= 70
- Another half again due to mistakes, blurry, fingers etc =35
- And then from that 35 photos you will choose only 1/3 photos= 10-16 photos

**From these photos do 3 artworks, here are some ideas:**

- A 4-min single line sketch, don't take your pen/pencil off the paper.
- A mini collage with pictures from magazines and newspapers
- A detailed pen drawing of an interesting “bit” of one of your photos, like the corner of a window or door.
- 
- A print- these print techniques are fun to do at home- oil pastel mono print, a drinks carton intaglio print,
- a polystyrene takeaway tray
