Important:

You can access Arbor through either the Student Portal (on Web Browser) or the Student App. For your first login, you must set your password using Student Portal in a web browser.

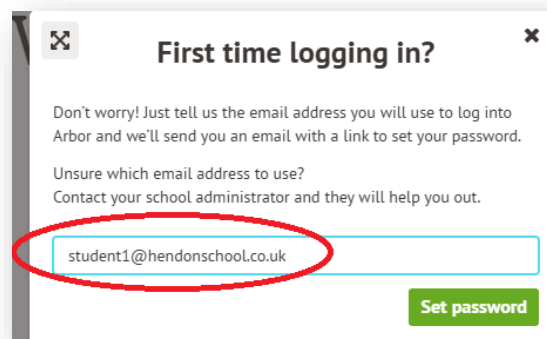

Logging into the Arbor Student Portal (Web Browser)

1. Go to the Login Page: <https://hendon-school.uk.arbor.education/?/home-ui/index>
2. Click "First time logging in?" to set up your password.

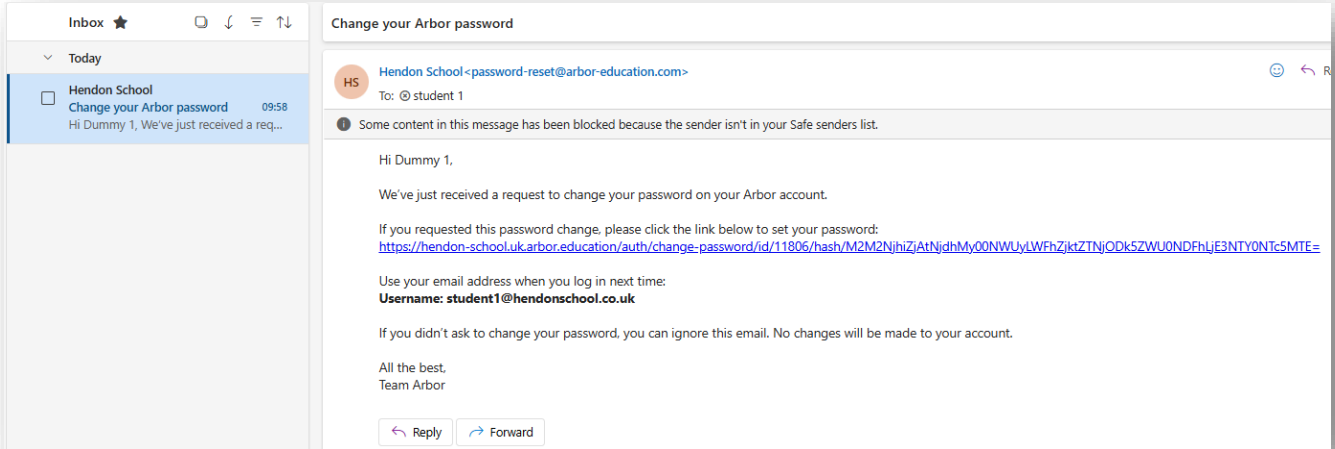

The image shows the login page for Hendon School's Arbor Student Portal. At the top is the Hendon School crest and name. Below is a large heading "Welcome to Arbor". There are two input fields: "Email address" and "Password". Below the "Password" field, the link "First time logging in?" is circled in red. To its right is the link "Forgot your password?". Below these is a green "Log in" button. At the bottom, there is a link "Trouble logging in? Click [here](#) for help" and a footer that says "Powered by Arbor" with the Arbor logo.

3. Enter your school email address.

The image shows a dialog box titled "First time logging in?". It contains the following text: "Don't worry! Just tell us the email address you will use to log into Arbor and we'll send you an email with a link to set your password." and "Unsure which email address to use? Contact your school administrator and they will help you out." Below the text is an input field containing the email address "student1@hendonschool.co.uk", which is circled in red. To the right of the input field is a green button labeled "Set password".

4. Check your email and click the link to set up your password.

5. Create your password following the required criteria.

A screenshot of a web form titled 'Create password for Student' from Hendon School. The form has a logo at the top consisting of four overlapping circles in orange, green, and yellow. Below the logo is the text 'Hendon School'. The main heading is 'Create password for Student'. There are two input fields: 'New password' and 'Confirm password'. Below these is a green button labeled 'Create password'. At the bottom, there is a red-bordered box containing the 'Password criteria:' section. The criteria are: 'The password must be at least 8 characters in length.', 'The password must contain at least one letter.', 'The password must contain at least one number.', and 'The password must contain at least one lowercase and one uppercase letter.'

6. Return to the login page and enter your credentials.
