'Learning Together Across the World'

15 July 2026

Dear Parents and carers,

Re: Academic Review Day at Hendon School on 2nd September 2026

I hope this letter finds you and your family in good health and high spirits. As we prepare for the start of the new academic year, we would like to invite you to our upcoming **Academic Review Day at Hendon School on Wednesday 2nd September 2026**.

The Academic Review Day provides an invaluable opportunity for parents and students to visit the school and meet with the students' tutors to discuss their progress and set academic targets for the upcoming year. This event serves as a platform for open communication and collaboration between parents, students, and the school, allowing us to work together in supporting your child's educational journey.

During the ten-minute slot, you will have the chance to review your child's grade sheet, which outlines their academic achievements and areas that require improvement. Together with the tutor, you will set academic targets that will guide and motivate your child throughout the new academic year. This personalised approach ensures that each student receives the necessary support to reach their full potential.

Please note that attendance is compulsory for all students, and they should arrive in full school uniform for their allotted ten-minute slot. We believe that maintaining the school's professional atmosphere contributes to the seriousness and success of the Academic Review Day.

To book your slot, please log your details on our online booking system at <https://hendon.schoolcloud.co.uk/>. This user-friendly platform allows you to select a convenient time slot for your meeting with the tutor. The system will guide you through the process, ensuring a smooth and hassle-free booking experience.

Please be aware that your child's next academic year will appear in School Cloud when you book your appointment, therefore, a young person currently in Year 7 will appear as Year 8.

We encourage you to book your slot as soon as possible to secure your preferred time. If you encounter any issues or require assistance with the online booking system, please do not hesitate to contact our school office, and our staff will be glad to assist you.

We look forward to welcoming you and your child to Hendon School for the Academic Review Day.

Thank you for your attention, and we eagerly await your presence on Wednesday 2nd September 2026

Yours sincerely,

A handwritten signature in black ink that reads "E. Roman". The signature is written in a cursive, flowing style.

Esa Roman
Assistant Headteacher
