Logging into the Arbor Student Portal (Web Browser)

1. Go to the Login Page: <https://hendon-school.uk.arbor.education/?/home-ui/index>
2. Click "First time logging in?" to set up your password.

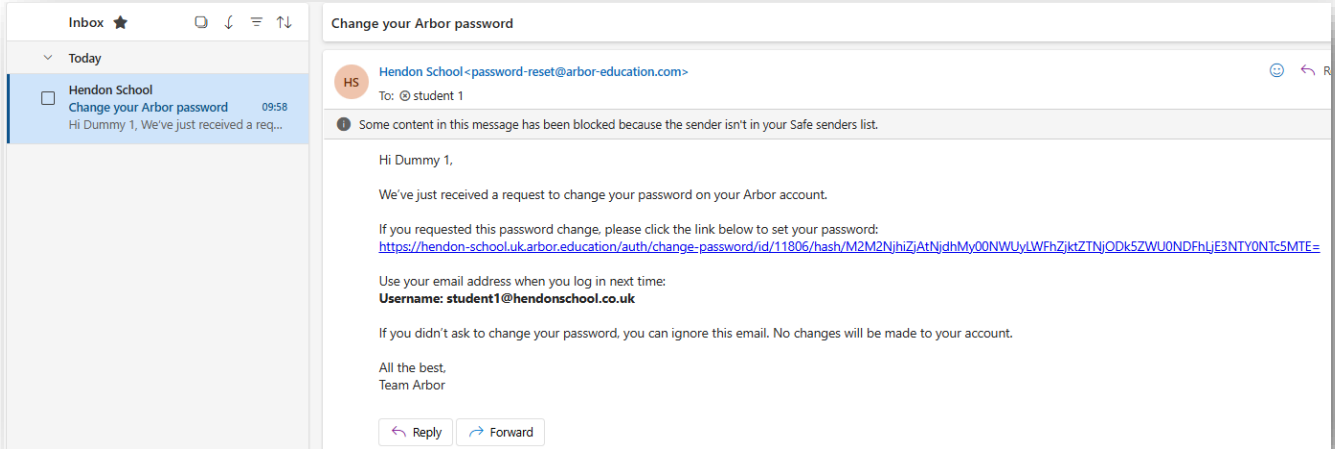

The image shows the login page for Hendon School's Arbor Student Portal. At the top is the school's crest and the name "Hendon School". Below this is a large heading "Welcome to Arbor". There are two input fields: "Email address" and "Password". Below the "Password" field, the link "First time logging in?" is circled in red. To the right of this link is another link "Forgot your password?". Below these links is a green "Log in" button. At the bottom, there is a link "Trouble logging in? Click [here](#) for help" and a footer that says "Powered by Arbor" with the Arbor logo.

3. Enter your school email address.

The image shows a dialog box titled "First time logging in?". It contains the following text: "Don't worry! Just tell us the email address you will use to log into Arbor and we'll send you an email with a link to set your password." followed by "Unsure which email address to use? Contact your school administrator and they will help you out." Below this text is an input field containing the email address "student1@hendonschool.co.uk", which is circled in red. To the right of the input field is a green "Set password" button.

4. Check your email and click the link to set up your password.

5. Create your password following the required criteria.

A screenshot of a web form titled 'Create password for Student' from Hendon School. The form has a logo at the top consisting of four overlapping circles in orange, green, and yellow. Below the logo is the text 'Hendon School'. The main heading is 'Create password for Student'. There are two input fields: 'New password' and 'Confirm password'. Below these fields is a green button labeled 'Create password'. At the bottom, there is a red-bordered box containing the 'Password criteria:' section. The criteria listed are: 'The password must be at least 8 characters in length.', 'The password must contain at least one letter.', 'The password must contain at least one number.', and 'The password must contain at least one lowercase and one uppercase letter.'

6. Return to the login page and enter your credentials.

Using the Arbor Student App

The Arbor Student App is available for iOS and Android. Scan the QR codes to download the app.

Log in using your Student Portal login details.

Hi, welcome to the
Arbor Student App 🖐️
