JOB OF THE WEEK

[Pet Behaviourist](#)

Pet Behaviourists are a specialist who diagnoses and treats complex behavioral problems in animals (like dogs, cats, birds) by identifying underlying emotional causes (fear, anxiety) and creating custom, science-based modification plans, working on veterinary referral to help pets feel and behave better, often acting like a "pet psychiatrist".

LABOUR MARKET INFORMATION FACT

Healthcare dominates the UK employment growth story, with an estimated 70,000 new roles expected in the sector and projections suggesting nearly one million additional jobs could be created over the next 20 years.

Embark on this virtual work experience to explore the world of accountancy and advisory services with BDO! Springpod and BDO will introduce you to the sector and the different career paths that are available. You'll hear from experts, see career stories, and explore career pathways.

Ahead of NAW 2026, join our webinar with the British Army to learn about the 40+ different apprenticeship opportunities available, from engineering to healthcare, and hear directly from apprentices about their training, experiences and what Army life is really like. Perfect for young people and those supporting them. Tuesday 3rd February, 16:00 – 17:00.

This session is designed to help parents and carers feel confident supporting the young people in their lives as they explore Apprenticeships.

EMPLOYER SPOTLIGHT

“Whether you've always wanted to work in health or have never thought about it before, the huge range of careers in the NHS will amaze you!

There are clinical and non-clinical careers available. You could work on the front line on a ward or never see a patient and still make a difference to people's lives.

Find out more [here](#).

UNIVERSITY SPOTLIGHT

“At Cardiff University, you can choose from over 300 degree programmes. We offer flexibility so you can tailor some components of your degree to suit your own interests and career ambitions. We work with our students to make their education the best it can be, not just for their own benefit, but for the good of our communities and planet.”
