'Learning Together Across the World'

16 April 2026

Dear Parent/Carer,

RE: Parent Coffee Morning – Reading

As 2026 is the **National Year of Reading**, we are keen to invite you to a Reading Coffee Morning. This will be an opportunity to come together, enjoy a cup of coffee, and learn more about how we support, encourage and celebrate reading within our school community.

Date: Tuesday 28th April

Time: 9:15AM - 10:15AM

During the session, we will share information about:

- How we assess and monitor students' progress in reading
- Ways we encourage and support reading in all of its forms in school
- Using technology to encourage and assist with the reading process
- How to log in and engage with Reading Cloud – the library management system where students can login and browse the collection
- How to support struggling readers and readers who have English as an additional language
- How parents can help to promote reading at home

The Librarian, Literacy lead and Head of English as an Additional Language will be on hand to discuss any questions you may have.

We hope you can join us for a cup of tea or coffee, a chat, and a chance to connect with other parents and carers.

Yours sincerely,

Christie Stolk
Office Manager
