'Learning Together Across the World'

21st September 2026

Dear parents & carers,

I wanted to share how much I enjoyed our Freshers' Fair. It was a real pleasure to see so many of our students getting involved: chatting to the stalls, asking lots of questions and signing up to try something new. It was a great success, and thank you for encouraging your child to take part.

There is so much on offer at Hendon, and we would love every student to be part of the wider opportunities here. Clubs are a wonderful way to make friends, build confidence and discover new interests.

I am now collating all of the students' sign-ups and sharing them with form tutors. They will check that everything is correct, and talk with students about the clubs they've chosen so that everyone is excited and ready to attend. It will also give every student the chance to sign up for anything they may have missed.

Once this is complete, I will email you to let you know which clubs your child has signed up to and when they run.

In the meantime, students are very welcome to attend any clubs, so please encourage them to go along and give things a try.

Thank you for your support. We are looking forward to seeing lots of students enjoying the clubs this term!

Kind regards,

Yours faithfully

K Downing
