'Learning Together Across the World'

2 November 2026

Dear Parents / Carers,

Parent Coffee Morning – EAL/Community Languages

This event may be of particular interest to families who speak a language other than English at home; however, all parents and carers are welcome to join us.

Date: Thursday 15th November

Time: 9:15am to 10:15am

This informal gathering is an opportunity for parents and carers to learn more about the community language qualifications and opportunities offered at Hendon School. We are proud of the rich cultural and linguistic diversity within our school community and would like to raise awareness of how students can develop and gain recognition for their language skills.

During the morning, we will:

- Share information about the community languages offered by the school.
- Explain how students can benefit from studying and gaining qualifications in their home language.
- Discuss ways families can support language learning at home.
- Provide an opportunity to meet other parents, ask questions, and share experiences over tea, coffee, and refreshments.

We warmly encourage all parents and carers to attend and look forward to celebrating the many languages spoken within our school community.
