'Learning Together Across the World'

28 September 2026

Dear Parent/Carer,

RE: Parking and Road Safety Reminder for Parents and Carers

We kindly ask all parents and carers to park considerately when dropping off and collecting students from school.

We have received a number of complaints from local residents regarding vehicles being parked across or opposite driveways, blocking access to homes and creating unnecessary congestion. We respectfully request that drivers are mindful of where they park and avoid obstructing driveways, entrances, or access points.

Please also ensure that you comply with all parking restrictions in the area, including the **"No Stopping on School Entrance Markings"** restrictions, which are in force **Monday to Friday, 8:00am to 9:30am and 2:45pm to 4:15pm**. These restrictions are in place to help keep the roads around the school safe for students, families, staff, and local residents.

We would also like to remind families that students with a valid Zip Oyster photocard can benefit from free travel on London's bus network and concessionary travel on other forms of public transport. Where possible, we encourage students who live locally to walk, cycle, or use public transport to travel to and from school. These options help reduce traffic congestion around the school and contribute to a safer environment for everyone.

The safety of our students, staff, parents, and neighbours is of utmost importance. By parking responsibly and considering alternative travel options where appropriate, you can help us maintain a safe and respectful environment for our whole school community.

Thank you for your understanding, cooperation, and continued support.

Yours faithfully,

C. J. Stolk
