Dear Parent/Carer

New Safeguarding Reporting Tool - SHARP

We are pleased to inform you that Hendon School has introduced a new safeguarding reporting tool called **SHARP (School Help Advice Reporting Page)**.

The SHARP system allows students, parents and members of our wider school community to anonymously report any safeguarding concerns, including issues related to bullying, mental health, online safety and other wellbeing matters.

This tool is part of our ongoing commitment to maintaining a safe, supportive environment for all students. By providing a confidential way to raise concerns, we aim to ensure that every member of our community feels heard and protected.

The SHARP system can be accessed via our school website or directly at: [LINK](#)

We encourage everyone to make use of this valuable resource if they become aware of anything that could impact the safety or wellbeing of a student.

Thank you for your continued support in helping us keep Hendon School a safe place for all.

Yours faithfully

Peter Nye

Deputy Safeguarding Lead
