'Learning Together Across the World'

16 April 2026

Dear Parent/Carer,

RE: Planned TFL Strike

As you may already be aware there is planned TFL strike action from **Tuesday 21st to Friday 24th of April**, which will cause significant disruption to the Tube network.

We are aware that there are a number of our students who use the tube network to travel to and from school and that the planned strike action will impact their journey. The planned strike action on the Tube will also impact students who travel to school using other methods as there will be an more people using other methods of transport than normal.

To ensure students arrive to school by 08:35 on the days that will be affect by the planned strike action, we are asking parents and carers to plan ahead with their children and agree alternative transport methods and adjustments to routines where necessary. This will minimise the impact that the planned strike action will have on attendance, punctuality and your child/s learning.

As this is planned strike action there will not be any adjustments to the school's attendance and punctuality expectations. All students will be expected to arrive to school on time and our normal sanctions will be implemented for students who arrive late to school.

If you require any further information regarding the planned strike action this can be found on TFL's website. If you have any further question or concerns regarding attendance matters please sent the to attendance@hendonschool.co.uk.

Thank you for supporting the school in maintaining our attendance and punctuality expectations.

Kind regards,

Craig McGuire
Headteacher
