Dear Parent/Carer

RE: Year 7 Enrichment Week

Dear Parent/Carer,

Following the conclusion of our Year 7 Enrichment Week, I would like to thank you for your understanding, support and flexibility during last week's exceptionally hot weather.

Unfortunately, due to the extreme temperatures, we were unable to deliver the full five-day programme as originally planned. Whilst we were disappointed to lose two days of activities, I am pleased to confirm that the visits and experiences which carried a direct cost were successfully rearranged, ensuring that all students were able to take part in the planned visits to **Kew Gardens** and **St Paul's Cathedral**, as well as an additional enrichment activity.

As the activities that could not take place were school-led experiences that did not incur additional costs, there is no refund due. We were, however, delighted that we were able to adapt the programme quickly and ensure that students still benefited from a range of valuable enrichment opportunities throughout the week.

We hope that students enjoyed their experiences and the opportunity to learn beyond the classroom. Thank you once again for your continued support.

Yours faithfully,

Kirsty Downing
Assistant Headteacher
