*'Learning Together Across the World'*

6<sup>th</sup> June 2025

Dear Year 7 Parents and Carers,

I hope this message finds you well.

I am writing to let you know that, as we move into Year 8 in September, we will be reorganising our students into 6 new form groups.

This will allow us to:

- Strengthen relationships between form tutors and students by providing a more consistent and focused support structure.
- Ensure greater continuity in communication between school and home.
- Enhance the delivery of our tutor time programme, with more targeted and collaborative activities.
- Provide more equitable distribution of support and pastoral care from our Heads of Year and wider staff team.

This decision has not been taken lightly and comes after careful consideration of how we can best support our students both pastorally and academically.

We understand that any change can bring questions or uncertainty. Please be assured that we will handle this transition carefully and with sensitivity to ensure that all students feel settled, supported, and positive about their new form groups.

Further details, including the new form allocations, will be shared with students and parents before the end of term. We will also provide opportunities for students to meet their new form tutor and classmates to help ensure a smooth transition.

If you have any concerns or questions in the meantime, please do not hesitate to contact us.

Thank you for your continued support.

Yours faithfully
