*'Learning Together Across the World'*

23<sup>rd</sup> May 2025

Dear Parents and Carers,

Following on from my previous letter regarding the Year 9 End of Year assessments, I am writing to provide further details on the assessment schedule and subject specific dates.

In addition to the Maths, English and Science exams held in the hall, Year 9's will also complete a range of in class assessments between **Monday 2<sup>nd</sup> June and Friday 20<sup>th</sup> June 2025**.

The purpose of these assessments is to evaluate the progress your child has made across the curriculum this year. They also provide valuable information to help us tailor support for each student as they move into Year 10.

A detailed **assessment schedule** outlining the specific dates and subjects will be sent to you alongside this letter. Please encourage your child to review their classwork and revision materials in preparation for these assessments. Teachers will also be supporting students in lessons with revision strategies and guidance.

To facilitate the assessments taking place in the hall, Year 9 students will revert back to period 4 lunch on the 11<sup>th</sup> and 18<sup>th</sup> June. On Friday the 20<sup>th</sup> June their Maths exam is scheduled to finish at 2:30pm and Year 9's will be dismissed after.

We understand that assessments can sometimes be a source of anxiety for students. Please be assured that we are committed to ensuring the process is as supportive and stress-free as possible. If you have any concerns or questions, do not hesitate to contact your child's form tutor or subject teachers.

Thank you for your continued support in helping your child achieve their best.

Yours faithfully,

*P. Williams*

**Miss P Williams**

Head of Year 9
