RE: Year 7 language choice – Important Information

Dear Parent/Carer,

As part of our Year 7 Modern Foreign Languages curriculum, students will now be asked to choose the two languages they wish to continue studying for the remainder of the academic year.

After half term, each student will study **two languages only**. To select these, your child must complete an online form via **Microsoft Forms**, which is accessible through the link or QR code shared on the next page.

The form will open on Monday **13th October at 4:00 pm** and will close **on Friday 17th October at 5:00 pm**.

When completing the form, students will be asked **to rank their four language options from 1 to 4**, where **1** represents their top choice and **4** their least preferred option. Please note that **class sizes are limited**, and places will be allocated on a first come, **first served basis**. While we will do our best to allocate students their top two language choices, this cannot be guaranteed.

The form **must be completed with a parent or carer**, and **can only be submitted once**. Once submitted, **no changes can be made**, so please ensure your child's choices are made carefully after discussion at home.

If the form is not completed by the deadline, language allocations will be made by the **Head of MFL**.

For guidance on how to complete the form, please watch the short instructional video available here:

Thank you for your support in helping your child make an informed decision about their language studies.

Yours faithfully
