'Learning Together Across the World'

09 February 2024

Dear Parent/Carer

I am writing to share with you the upcoming enrichment week for all Year 9 students. From **Monday 24th June- Friday 28th June** all year 9 students will be taking part in an exciting week designed to bring their classroom learning to life. The enrichment week has been thoughtfully designed to provide opportunities to develop life skills, ignite curiosity, foster creativity, and instil a lifelong love for learning in your child.

The week will involve students being placed within a team and working together in several different activities, which are briefly detailed below. Specific details for each activity and the students' timetable for the week will follow shortly.

Activity 1: Orienteering.

An orienteering competition based in Hampstead Heath.

Activity 2: Water activities

A full day at Phoenix Outdoor Centre, West Hendon, involving both canoeing and raft building.

Activity 3: Problem Solving

A day full of problem-solving activities at Hampstead Heath.

Activity 4: High Ropes

A day at Alexandra Palace experiencing the high ropes course at Go Ape.

Activity 5: Hike

Students will develop map reading skills to navigate their way to a planned location.

When designing these trips, we have placed a significant importance on ensuring they are affordable for all students. **The cost for the full week of activities is £50, which should be made via parent mail** and can be paid in full or in 2 installments shown below.

Option One:

1 Instalment of £50 to be paid by Friday 1st March 2024

Option Two:

£25 Instalment to be paid by Friday 1st March 2024

£25 Instalment to be paid by Friday 5th April 2024
