

Student presentation at 'Shot in Soho' exhibition at the Photographers Gallery

Congratulations to our Year 11 GCSE Photography student Junior Davis who gave a talk on Saturday 8 February 2020 at the prestigious Photographers Gallery in Central London. He spoke fluently and passionately about selected photographs and the audience including the gallery director loved his confidence and sense of humor. His perceptive description of the images was evidence of the in depth research that he had undertaken in the 6 meetings beforehand.

Junior's talk is a credit to Hendon School and the Photography Department. I am very impressed with his commitment, dedication and enthusiasm. A Big Thank you to the other Year 11 Photography students who came to support him: Mahta, Sami and Riya.

LAMDA Classes at Hendon School

Hendon School is now offering private classes in *Acting and Speaking in Public*.

LAMDA is one of the UK's oldest and most respected awarding bodies. The syllabus is recognised by Ofqual which means LAMDA qualifications are on par with GCSE's and A-Levels and at the higher grades, will earn you UCAS Points.

Why take a LAMDA class?

Studying for a LAMDA exam is an excellent way to way to **develop creative potential and improve powers of self-expression**. Students will receive tailored, individual tuition on their vocal and physical skills.

This makes LAMDA a fantastic option for students who:

- Are passionate about acting and would like private tuition to sharpen their skills
- Struggle with confidence
- Are bright but need to hone their presentation and public speaking skills
- Are interested in drama but have chosen other subjects for further education

Acting - Work on scenes from *any movie, play or television show of your choice* under the guidance of a professional acting coach.

Speaking in Public - The ability to communicate with clarity and flair is a skill worth developing, whether it's for interview technique, working as part of a group or delivering presentations.

Classes start at just £5

For more information please visit www.louderdrama.com or email Hendon's LAMDA Tutor Luke on hello@louderdrama.com to begin classes.

Japanese Exchange Programme. - Hosting experience.

The Japanese students from Konan High School will be visiting Hendon School from March 9th to March 16th and engaging in lessons at Hendon as well as going to London for a day trip to see and experience culture in the UK.

They will also be experiencing living with a UK family, similar to when our students go to Japan and experience living with a Japanese family. The host family experience is one of the richest parts of the trip and both groups of students all return to their respective families with memories and friends for life.

In order to keep the Japan exchange programme as successful as it is we always require host families who can offer to host a Japanese student.

If you would like to host a Japanese student for one week then please let me know as soon as possible - email hallg@hendonschool.co.uk or ext 244. This is a great opportunity to help provide a Japanese student with the experience of a lifetime.

Kind regards,

Mr G Hall (Japanese trip co-ordinator)
