2025 Consent Form

Consent to use photographs and images online and in school publications

We are proud of the many achievements of our students at Hendon School and there are many activities and events for our students to get involved in. You will have seen that we often use photos of students on our website, on social media and in our school prospectus to give people a flavour of school life at Hendon School, to keep the school community informed about what our students do and to celebrate achievements. We also publish photos of students in our school newsletter.

In this digital age, many members of our school community use social media to stay connected with what is happening in school and, for those who don't use social media, the website is an important communication tool which showcases what we do. Under data protection law, we need the consent of parents / carers to use photographs or video images of students in this way.

There is no obligation on you to give consent and if you choose not to give consent for some or all of the options on the consent form, we will ensure that your child's photo or a video is not used for those purposes if your child can be identified from it. It may be helpful to inform your child if you decide not to give consent for any of the options below. In some cases, we may take group photos of students and we may publish a photograph if we are satisfied that individual students cannot be identified from the image.

Please note that there are likely to be circumstances when we may use your child's photograph for other purposes connected with the school, where we do not require your consent, because there is another legal reason, which permits us to use photos or images of your child. For example, we keep a copy of the official school photo on our database so that we can correctly identify students. For further information, please see our privacy notice available on our website.

Photos taken of students during school activities (eg.. plays, events & Trips) will be electronically stored in the Hendon School archives (with consent) for future celebrations. You can withdraw or change your consent at any time by emailing the school at info@hendonschool.co.uk

If you withdraw consent for your child's photo being used in any of the ways described on the form, we will stop using it in this way, but we may still need to retain a copy of the photograph or image for other reasons, for example, where it is needed to perform our public task of providing education.

Please note it may not be possible to remove images once published under previously given consent.
